Adventures for women just like you!

Are you keen on having amazing adventures before you get too old, but don't know where to start and don't want to do it on your own?

Are you at a time in your life when you're ready to get out of your comfort zone, try new things and really challenge yourself?

You may just have found your tribe!

Mucha Adventure was started for women just like you. Women looking for some fun and adventure in their lives. Adventure that takes you out of your comfort zone, where you can go at your own pace and do as much or as little as suits you. No competition and no need to be an elite sportsperson! It's all about learning just enough to have fun!! All you need is a sense of fun and adventure and a willingness to get out of your comfort zone!.

Inclusiveness is one of our intrinsic values, and we really love to welcome new faces. We also are very aware that it can be very difficult and even a bit scary to come to your first event, but there are always new girls at every event, so you won't be the only one, and if you do feel a little nervous, you can always give Mich or Beck a call beforehand for some moral support! So many times we hear "I wish I had plucked up the courage sooner! I've really been missing out!"
